Your play area transformed... childrens' imagination stimulated at no extra cost!

We are CCI Scotland Ltd – an award winning social enterprise and commercial playground contractor, delivering natural and fixed play projects and outdoor learning areas to schools and nurseries across Scotland.

We have a huge portfolio of successful contracts delivered for The Scottish Government's Grounds for Learning (GfL) programme, Local Authorities and NHS Trusts. Our accreditations and testimonials from head teachers and estate managers will give you confidence that your school or nursery will get a quality makeover that is exceptional value for money.

A recent testimonial:

"CCI provided a first class one stop design and build service for our Perfect Playground Project... All in all, the project was undertaken so professionally that we hardly noticed the CCI team were there! We are delighted with the end product. Thank you CCI, you have definitely made a difference to our children's lives."

Avril Tully,
Head Teacher,
Carmondean Primary

CCI Scotland is the wholly owned trading arm of Clydesdale Community Initiatives, registered Scottish Charity No. SC035206.
